Invocation

Surely the presence of the Lord is in this place;
 I can feel His mighty power and His grace.
 I can hear the brush of angels' wings,
 I see glory on each face;
 Surely the presence of the Lord is in this place.

BEGA

SEVENTH DAY ADVENTIST

CHURCH

14 September, 2019

Welcome

What a joy to meet here during this wonderful day that the Lord has given us as we share the blessings of the Sabbath. The week has been tedious and long but finally we are able to come together as we have a special rest that the Lord has granted to us.

I want to take this opportunity to welcome each and everyone of you to this Sabbath fellowship and may we be able to experience the goodness of the Lord all through the day.

Health Nugget

Intemperate eating is often the cause of sickness, and what nature most needs is to be relieved of the undue burden that has been placed upon her. In many cases of sickness, the very best remedy is for the patient to fast for a meal or two, that the overworked organs of digestion may have an opportunity to rest. A fruit diet for a few days has often brought great relief to brain workers. Many times a short period of entire abstinence from food, followed by simple, moderate eating, has led to recovery through nature's own recuperative effort. An abstemious diet for a month or two would convince many sufferers that the path of self-denial is the path to health. – {MH 235.2}
