### Invocation

Surely the presence of the Lord is in this place;  
 I can feel His mighty power and His grace.  
 I can hear the brush of angels' wings,  
 I see glory on each face;  
 Surely the presence of the Lord is in this place.

## Welcome

A Blessed Sabbath to You All!

What a joy to meet here during this wonderful day that the Lord has given us as we share the blessings of the Sabbath. The week has been tedious and long but finally we are able to come together as we have a special rest that the Lord has granted to us.

*The Divine Prescription & Science of Health & Healing by Gunther B. Paulien, Ph.D.*

### *Cranberries*

Recent research finds that only one half cup of cranberry juice cocktail a day can ward off urinary tract and bladder infections in individuals at high risk of infections. The reason is that cranberries increase the urine acidity with HIPPURIC acid which kills the bacteria. Cranberries deodorize urine by helping to rid it of E. Coli bacteria, and preventing them from releasing ammonia. In one study 16 ounces a day caused the odour to disappear. It prevents bacteria to stick to the surface of the urinary tract. One doctor suggests that cranberries help to retard the formation and even help dissolve calcium type KIDNEY STONES. Cranberries are helpful in cases of skin disorders such as pimples, high blood pressure, obesity, poor appetite, fevers, for kidney and liver disturbances, and for rectal disturbances such as piles and haemorrhoids.
