### *Fathers*

#### **The Earthly Father**

The father, as the head of his own household, should understand how to train his children for usefulness and duty. This is his special work, above every other. During the first few years of a child's life the molding of the disposition is committed principally to the mother; but she should ever feel that in her work she has the co-operation of the father. If he is engaged in business which almost wholly closes the door of usefulness to his family, he should seek other employment which will not prevent him from devoting some time to his children. If he neglects them, he is unfaithful to the trust committed to him of God. – {AH 221.1}

The father may exert an influence over his children which shall be stronger than the allurements of the world. He should study the disposition and character of the members of his little circle, that he may understand their needs and their dangers and thus be prepared to repress the wrong and encourage the right. <sup>[5]</sup>The Review and Herald, August 30, 1881. – {AH 221.2}

#### **The Heavenly Father**

Christ's death proves God's great love for man. It is our pledge of salvation. To remove the cross from the Christian would be like blotting the sun from the sky. The cross brings us near to God, reconciling us to Him. With the relenting compassion of a father's love, Jehovah looks upon the suffering that His Son endured in order to save the race from eternal death, and accepts us in the Beloved. – {AA 209.3}

Without the cross, man could have no union with the Father. On it depends our every hope. From it shines the light of the Saviour's love, and when at the foot of the cross the sinner looks up to the One who died to save him, he may rejoice with fullness of joy, for his sins are pardoned. Kneeling in faith at the cross, he has reached the highest place to which man can attain. – {AA 209.4}

Through the cross we learn that the heavenly Father loves us with a love that is infinite. – {AA 210.1}

### 31 August, 2019

## Welcome

A Happy Father's Day to all Dads! To our Heavenly Father, we thank you for your patience and love towards us.

Welcome to Bega Church today as we worship and honour our Heavenly Father, as well as acknowledge our earthly father's. May you all feel blessed as the Youth lead out today.

## Health Nugget

### *Christ's Manner of Healing*

In the Saviour's manner of healing there were lessons for His disciples. On one occasion He anointed the eyes of a blind man with clay and bade him, "Go, wash in the pool of Siloam.... He went his way therefore, and washed, and came seeing." John 9:7. The cure could be wrought only by the power of the Great Healer, yet Christ made use of the simple agencies of nature. While He did not give countenance to drug medication, He sanctioned the use of simple and natural remedies. – {CH 30.3}

To many of the afflicted ones who received healing Christ said, "Sin no more, lest a worse thing come unto thee." John 5:14. Thus He taught that disease is the result of violating God's laws, both natural and spiritual. The great misery in the world would not exist, did men but live in harmony with the Creator's plan.... – {CH 30.4}

These lessons are for us. There are conditions to be observed by all who would preserve health. All should learn what these conditions are. The Lord is not pleased with ignorance in regard to His laws, either natural or spiritual. We are to be workers together with God for the restoration of health to the body as well as to the soul. – {CH 31.1}
