Thank you to all who regularly contribute to our Asian Aid commitment. As another school year commences here for us remember the importance of an education especially in developing countries. Please continue your support of our Asian Aid student. Your small change makes a big difference for Srujana and his family.

ADRA Australia's End-Of-Financial-year Campaign

Ensure her children have a brighter future. She has overcome incredible hardships to change her life. But Maria, from Timor Leste, is still terrified that her children will become stuck in the cycle of poverty without an education. Thousands of other women in need feel the same. Donate before June 30 at adra.org.au/transform or call 1800 242 372 to help.

Church Cleaning

There are a range of options preferred by various members of our church as to how they would like to be involved with the church cleaning. Please speak with Carol to let her know your preference.

- Would you like to pay to have it done instead of taking your turn?
- Would you like to clean for one week at a time on a roster?
- Would you like to clean for a month in one block?
- Would you like to have your name added/removed from the roster?

Thirteenth Sabbath

Our support of the Thirteenth Sabbath Offering on 29 June, next Sabbath, will make a difference in the South American Division. Brazil and Peru will benefit from the church around the world. Your generous, planned giving will make a difference in these places.

South NSW Special Projects

The Conference special projects offering this year is going to support the completion of the ministers houses out in Tonga. We still require about \$20,000 to complete the project. One house is complete and now inhabited the other will not commence until we have sufficient funds at which time two fly and build groups from our conference will head out to work on the project.

Scripture in Local Schools

Currently in the Bega Valley these schools have Scripture or Special Religious Education (SRE): Tathra Public, Bemboka Public, Bega Valley, Eden, Pambula, Candelo, Quaama, Bermagui and Cobargo. Bega High is waiting further enrolments in SRE as a new enrolment system is put in place.

Prayer Points for this work:

- Give thanks to our magnificent God that 95% of public primary schools and 83% of public high schools have SRE
- The SRE teachers - that they would faithfully teach God's Word in an engaging manner
- The students - their hearts and minds would be open to God's love and salvation for them
- The teachers and parents - they would hear the gospel message too
- The SRE helpers and teachers
- For continued support from the schools

Life does not have to be perfect to be wonderful
