

Welcome

Welcome! How good it is to worship together. As we praise our God, talk to Him and learn more of His plans for us may each person here be blessed. A very special welcome to Raelyn Parkinson who is our preacher today. May a longing grow in each heart for the time when we find our lives lived in the wonderful place God is preparing!

Offerings

Our main offering today is for South NSW Special Projects Offering. The larger portion of the offering bag is for this offering.

The Project Offering, for our local church, can be placed in the smaller section of the offering bag.

Asian Aid

Thank you to all who regularly contribute to our Asian Aid commitment. As another school year commences here for us remember the importance of an education especially in developing countries. Please continue your support of our Asian Aid student. Your small change makes a big difference for Srujana and his family.

South NSW Special Projects

The Conference Special Projects Offering this year is going to support the completion of the ministers houses out in Tonga. We still require about \$20,000 to complete the project. One house is complete and now inhabited the other will not commence until we have sufficient funds at which time two fly and build groups from our conference will head out to work on the project.

Thirteenth Sabbath

Our support of the Thirteenth Sabbath Offering today, 29 June, will make a difference in the South American Division. Brazil and Peru will benefit from the church around the world. Your generous, planned giving will make a difference in these places. Should you like to give something but haven't come prepared today place your offering in an envelope and mark it Thirteenth Sabbath and then give it to the treasurer, Peter Bolst.

ADRA Australia's End-Of-Financial-year Campaign

Ensure her children have a brighter future. She has overcome incredible hardships to change her life. But Maria, from Timor Leste, is still terrified that her children will become stuck in the cycle of poverty without an education. Thousands of other women in need feel the same. Donate before June 30 at adra.org.au/transform or call 1800 242 372 to help.

A Very Special Thank You

We would like to thank the Bega Church family for their prayerful support while working abroad with ADRA, both in Ethiopia and Iraq. It was such a comfort knowing that we had our Church family caring for us through prayer, this enabled us to get through some challenging times. We praise God for His guidance and protection and with our recent situation were impressed to choose to come back to Australia. We are now looking forward to living and serving in the Alpine Shire in Victoria. Blessings to all and thank you again for your continued support. Love Doug and Sherryn

Local Church Bulletin

As of this next week our new Bulletin Secretary will be Natasha Bennett. Should you have anything that needs to be included in a particular week's bulletin please let her know ahead of time.

I (Wendy) have appreciated your support from week to week with this particular aspect of church life.

Thank You to Our Volunteers

We are about to commence a new church year. Our church only functions because of your voluntary support. Thank you to all who have carried responsibility during our last church year. We appreciate your efforts. And, a special word of thanks to all who have taken on responsibilities as we head into a new church year. We are sure to be blessed as we work together to make a difference in our community through our church. Thank you in advance!

Scripture in Local Schools

Currently in the Bega Valley these schools have Scripture or Special Religious Education (SRE): Tathra Public, Bemboka Public, Bega Valley, Eden, Pambula, Candelo, Quaama, Bermagui and Cobargo. Bega High is waiting further enrolments in SRE as a new enrolment system is put in place.

Prayer Points for this work:

- Give thanks to our magnificent God that 95% of public primary schools and 83% of public high schools have SRE
- The SRE teachers - that they would faithfully teach God's Word in an engaging manner
- The students - their hearts and minds would be open to God's love and salvation for them
- The teachers and parents - they would hear the gospel message too
- The SRE helpers and teachers
- For continued support from the schools
- That the schools would embrace the new enrolment procedure that has come from the Department of Education
