Offerings

Our main offering today is for the Narromine Christian School. This school has grown dramatically over the last few years and is doing a marvellous work in the local community. Our support means a lot to the school community there - more than just dollars! The larger portion of the offering bag is for this offering. The Project Offering can be placed in the smaller section of the offering bag.

Asian Aid

Thank you to all who regularly contribute to our Asian Aid commitment. As another school year commences here for us remember the importance of an education especially in developing countries. Please continue your support of our Asian Aid student. Your small change makes a big difference for Srujana and his family.

ADRA Australia's End-Of-Financial-year Campaign

Help her family rise out of poverty.

Maria, from Timor Leste, knows firsthand what it is like to have no food or money, and to see her children suffer.

Your support through ADRA gave her hope. By providing the means for another mother in need to earn an income, you help her family rise out of poverty. Find out more at adra.org.au/transform
